# JUST LIKE YOU, WE'RE NOT OLD, WE'RE EXPERIENCED

At PresCare, age is just a number and like you, we've been around long enough to know what really matters. How long you ask? Well, since 1929, the same year the very first car radio was installed and probably playing some Louis Armstrong!

We recognise that we're all individuals, with different needs at the various stages of our lives. We're about helping you live the life you choose by tailoring the services you need, when you need them.

Our flexible approaches to in-home care, residential living, social support services, respite care, pastoral and spiritual care, and rehabilitation reflect this.

PresCare is a Ministry of the Presbyterian Church of Queensland and all of our services are accredited with the national industry bodies.

We'd love to talk to you about how we can help. Please visit [www.prescare.org.au](http://www.prescare.org.au) or phone **1800 773 722** for more information.
