Townsville's newest
RESIDENTIAL AGED CARE FACILITY

Each of Protea's 140 residents rooms is furnished with a bed, over the bed table, reclining lift chair, bedside cabinet and television. The ensuite is equipped with support rails and a nurses' station is metres away. Protea also offers 20 specialised rooms suitable for people living with dementia.

Day Therapy Centre, Allied Health Services and Doctor's Room

Activities Room

We are committed to the holistic welfare of our residents. For this reason, Protea includes a state of the art Day Therapy Centre with regular exercise classes for all levels of ability as well as adjoining rooms for Allied Health Services and a Doctor's Room. The Activities Coordinator offers a wide range of activities for residents and our Chaplain holds regular services in Protea's chapel.

Foyer

Lounge

Protea offers a wide range of communal areas for our residents to spend with one another as well as share with their visitors. Our Cockle Bay Cafe adjoins the rooftop garden and each level has terraces as well as lounge areas.
