Two country  
communities that  
create a sense of home

Proudly part of the Apollo Care Alliance

# Welcome

*“PresCare has been an integral part of the Maryborough community for almost four decades.*”

As part of the Apollo Care Alliance, our two communities continue to benefit from a multifaceted investment program comprising best-practice governance, an award-winning culture and performance program, and a cutting-edge cloud-based IT system that includes hand-held mobile devices for every care worker. We are also benefitting from refurbishments to private suites and shared spaces.

Our communities have achieved the highest possible accreditation by the Australian Government’s Aged Care Quality and Safety Commission, giving residents and their families confidence in the exceptional care we provide. With a culture of caring that puts residents first, Groundwater Lodge and Yaralla Place are warm, welcoming communities where residents are supported to live their way, with grace and dignity.”

## A culture that puts residents first

Feeling at home is about feeling you belong. At PresCare, the physical and emotional wellbeing of residents are our highest priorities. We’ve introduced an award-winning staff culture program that unites our team to work together to put residents first. We listen, respect your choices and support you to live your way.

**A vibrant community**  
in the heart of town.

## Design your own day

Just like at home, you decide how you’d like to spend your day. When you rise, eat and shower is up to you, and you’re supported to keep doing the things you’ve always enjoyed, like watering the garden, visiting the hairdresser, and continuing your interests. There’s no set visiting hours, so you can welcome friends and family whenever you like.

### Creating a true sense of home

To offer a more personal living experience, our communities are divided into smaller households that mirror the look and rhythm of home. Residents share their own homestyle lounge, dining and kitchen areas. Your light-filled room can be furnished and decorated as you like, and you can enjoy the simple pleasures of a traditional backyard, with gardens, flower beds and veggie patches.

### Carers who get to know you well

Our Carers and Nurses focus on you as a person, getting to know your story, likes and routine. On-hand 24/7, they provide a holistic care experience tailored to your needs. With specialist expertise across all aspects of aged care, including infection control, respite, dementia and palliative care, they support each resident with kindness and compassion.

### Meaningful activities that bring enjoyment

We support you to find comfort, enjoyment and meaning in your daily life. Our resident-driven Lifestyle Program includes a range of interesting activities and outings, and we'll help you maintain your connections to the people and places you love. All residents, regardless of faith, are welcome to attend on-site services and receive pastoral support.

### A flexible approach to home-made meals

When it comes to food, there's plenty of choice – just like home. Our dietician-approved menus offer variety and country favourites, and you can choose when and where you enjoy your meals. Our major investment in meal service includes state-of-the-art on-site kitchens and qualified chefs to offer residents even better quality meals.

# PresCare is part of an innovative national alliance

Apollo Care's unique vision is to strengthen the goodwill and sense of belonging already created in local, not-for-profit aged care communities. We help these communities evolve and thrive by enhancing every resident's living experience.
